Mun Y. Choi is the 24th president of the University of Missouri System and, as of July 2020, now serves in a dual role as chancellor of the University of Missouri.

In this new role, President Choi oversees the academic, business, and financial aspects of the four universities, as well as a health care system and statewide extension program.

In partnership with the University of Missouri Board of Curators and university leadership, President Choi introduced a new collective vision for the system in 2018: to advance the opportunities for success and well-being in Missouri, the nation and the world through transformative teaching, research, innovation, engagement and inclusion.

This effort strengthened collaboration among the four universities and created a more efficient environment. He has worked tirelessly to transform the perception and value of higher education with the university community, alumni, legislators and Missourians.

Since his arrival, MU has celebrated three consecutive years of substantial enrollment growth, the highest graduation rate in the university's history and a record 90 percent retention rate for first-year students returning their sophomore year. This fall, MU also jumped up 15 places in the U.S. News & World Report rankings.

Choi has led efforts to strategically invest in UM System research, particularly through NextGen Precision Health with the anchoring facility set to officially open in Fall 2021 on MU's campus. In addition to attracting top scientists, NextGen Precision Health has the potential to make key discoveries — with treatments for prostate, breast and pancreatic cancers, traumatic brain injuries and rare musculoskeletal diseases — as well as increase health care access for rural Missourians.

Building a climate that promotes diversity and strengthens inclusion, is another key priority for Choi. For the first time ever, the entire university community is required this fall to complete cultural competency training. The American Council of Education recently cited MU as a national example for increasing its capaity to improve campus culture. In 2020, MU had the highest percentage of Black/African American students (7.7%) among all 11 Midwest flagship universities and, over the last four years, has increased its minority tenured-track faculty hires by 26 percent.

Choi strongly and continually advocates for every member of the university community to take personal responsibility for addressing discrimination when witnessing it - no matter how subtle or unintentional. The burden of raising awareness and creating a more inclusive culture falls on everyone's shoulder.

Choi came to Missouri in 2017 after nine years at the University of Connecticut where he served as a provost and executive vice president (2012-2017) and earlier as a dean of engineering (2008-2012). His 25-year career in higher education also includes serving eight years as a department head of engineering at Drexel University and six years as an assistant and associate professor at the University of Illinois at Chicago.

A product of and passionate champion for public higher education, he earned his bachelor's degree from the University of Illinois. He secured his master's and Ph.D. degrees in mechanical and aerospace engineering from Princeton University. His parents brought their family to the United States from South Korea when Choi was 9 years old. His parents' initial U.S. jobs making uniforms for Taekwondo students and teachers evolved into a highly successful family business. The Choi Brothers in Chicago, where Choi worked as a young man, is now run by his sisters and is one of the country's largest suppliers of martial arts uniforms. Choi is married to Suzanne Choi and they have three children.

Since her appointment in 2021, Reed-Francois has begun to transform Mizzou Athletics in every way: from department culture to the student-athlete experience; from facility enhancements to fundraising; and from community engagement to the fan experience.

Among her early accomplishments is the construction of the Stephens Indoor Practice Facility for football, the hiring of Dennis Gates as the new Whitten Family Men's Basketball Head Coach and Caroline Westrup in women's golf, dozens of enhancements to the football game-day fan experience, the implementation of Black & Gold Fridays across the state, a retooling of the Tigers' NIL program and the creation of the 24-stop Come HOME Tour which covered more than 7,500 miles.

In 2021-22, success came on the field and in the classroom for the Tigers, with the wrestling team winning the Big 12 Championship and both gymnastics and wrestling earning Top 10 finishes in the NCAA Championships, with wrestler Keegan O'Toole winning the National Championship. Football played in the Armed Forces Bowl and later secured the best recruiting class in program history, men's golf earned its first NCAA Regional bid since 2018 and softball played host to an NCAA Regional for the second-straight season.

Academically, the Tigers posted a school-record department GPA of 3.22 in Fall 2021, along with a 3.20 in Spring 2022. Mizzou posted a combined NCAA Academic Progress Rate mark of 990 with football posting its best-ever score and four programs (women's basketball, women's cross country, women's golf and women's tennis) earning perfect scores of 1,000.

The Tiger Scholarship Fund raised over $41-million, the fourth-most productive year in TSF history and the highest production total in a year which did not contain a capital campaign.

Reed-Francois came to Mizzou after serving four years as the Director of Athletics at the University of Nevada Las Vegas. During her time with the Rebels, she completed or implemented more than $70 million in facility upgrades, hired seven head coaches – three who earned Conference Coach of the Year honors early in their tenures and oversaw the completion and opening of a $35-million on-campus football training complex and successfully negotiated a joint-use agreement with the NFL's Las Vegas Raiders and opened the new $2-billion Allegiant Stadium.

An adept fundraiser, Reed-Francois led a $60-million development drive at UNLV, including an $8-million estate gift, the largest estate gift in the school's history. Football season ticket sales and premium revenue jumped by 200 percent and 70 percent, respectively, and Reed-Francois introduced a new apparel agreement with Nike.

Prior to arriving at UNLV, Reed-Francois served as the deputy athletics director at Virginia Tech, overseeing external relations, the day-to-day operations of the department and football and as a senior associate athletics director at the University of Cincinnati. At the University of Tennessee, she became the first woman to oversee a men's basketball program in the SEC, which followed stints at California State University-Fresno, Santa Clara University, San Jose State University, the University of California Berkeley, and the University of San Francisco.

Reed-Francois earned a Bachelor's Degree from UCLA and a Juris Doctorate from the University of Arizona College of Law. She is a member of the State Bar of California and taught law classes at the University of Tennessee and at Santa Clara University. Prior to her work in college athletics, Reed-Francois worked as a legal associate for the Oakland Raiders and the NFL's Management Council.

She is a board member of the National Coalition of Minority Football Coaches, recently served as vice chair of the NCAA Baseball Selection Committee and formerly was a member of the College Football Playoff Committee's operations committee. In addition, Reed-Francois is a member of the LEAD1 Association, the National Association of Collegiate Marketing Administrators and National Association of College Directors of Athletics and has been a presenter at NACDA, NACMA, Women Leaders in College Sports, and Sports Business Journal's annual conventions. She has also participated in the Division I Athletics Directors Leadership Institute and Fellows Program and the Women Leaders in College Sports' Executive Institute.

A former rowing student-athlete at UCLA, Reed-Francois is the first female athletic director in Mizzou's history, the first female athletic director in a public institution in the SEC and was the first Hispanic female and woman of color athletics director at the Football Bowl Subdivision (FBS) level.

She and her husband, Josh Francois, are the parents of current men's basketball student-athlete Jackson Francois.

Dr. Pam (Hinton) Bruzina was appointed Faculty Athletics Representative by Interim Chancellor Hank Foley in May 2017.

Previously, Dr. Bruzina served as an executive member of the Intercollegiate Athletics Committee (IAC) and was the IAC Compliance Subcommittee Chair and the Student-Athlete Welfare Subcommittee Chair. Her dedication to the welfare of our student-athletes was evident during her time on the IAC.

Dr. Bruzina currently serves on the NCAA's Committee on Competitive Safeguards and Medical Aspects of Sport (CSMAS), as well as the Administrative, Practice and Prevention, Drug Testing and Research CSMAS Subcommittees. In addition, she is the Division I FBS representative on the Faculty Athletics Representatives Association Executive Committee.

Pam was a student-athlete at the University of Wisconsin, which provides her with firsthand knowledge of the demands placed on student athletes. Pam was a track and cross-country student-athlete, going from walk-on to All-American. She earned a bachelor's degree, with distinction, in molecular biology; she then completed her PhD in Nutritional Sciences at Wisconsin and postdoctoral training in Maternal and Child Nutrition at Cornell University.

Dr. Bruzina joined the Department of Nutrition and Exercise Physiology at Mizzou in 2000. She is a Professor of Nutrition and Exercise Physiology, and her lab investigates the interactive effects of nutrition and physical activity on bone health.

Stefanie Golan, a St. Charles, Missouri native, was named the University of Missouri's second women's soccer head coach in May 2021.

The 2023 season will be Golan's 15th as a head coach and third at Missouri. In 14 seasons, she has totaled a 137-100-38 (.567) career record.

Golan came to Mizzou after spending nine seasons building a championship program at the University of Minnesota.

In nine seasons as head coach at Minnesota (2012-2020), Golan fashioned a 92-64-24 (.578) record with four NCAA Tournament appearances, one Big Ten regular-season title, a pair of Big Ten Tournament championships and eight winning seasons.

Leading the Gophers to the 2018 Big Ten Tournament Title, Golan's squad ran through the tournament without allowing a single goal after entering as the seventh seed. With qualification secured for the NCAA Tournament, Minnesota upset Auburn 2-0 in the first round before falling to the UCLA Bruins in the second round of play.

Golan earned her 100th career win against Utah State on Sept. 8, 2017. The milestone came in the form of a 5-0 defeat of the Aggies in her nine seasons as a head coach.

Named Big Ten Coach of the Year in 2016, Golan led Minnesota to a 16-3-4 record and the program's first sweep of the Big Ten regular-season and tournament titles. The Gophers finished the 2016 campaign ranked in the Top 15 nationally after earning the highest national ranking in program history at No. 8. That squad also boasted the Big Ten Forward of the Year in Simone Kolander and the Big Ten Defender of the Year in Rashida Beal, who earned All-America honors and later drafted by FC Kansas City.

Golan guided the 2015 Gophers to the second round of the NCAA Tournament for the first time since 2010 and a 12-7-3 record. The program was ranked as high as No. 11 during the season, and Kolander earned the first of two Big Ten Forward of the Year honors.

In 2013, after Minnesota's third NCAA Tournament appearance, freshman Tarah Hobbs earned a pair of invites to the U20 Women's National Team Training Camps after a season where she was honored with NSCAA second-team All-Great Lakes, 2013 Big Ten Goalkeeper of the Year, All-Big Ten first team and Big Ten All-Freshman Team honors.

Before moving to the Twin Cities to guide the Minnesota program, Golan sept five and a half years at Army West Point, serving as the associate head coach in 2007 and 2008. In three years as the head coach, 2009-11, she led the team to a 33-18-10 record and the program's second-ever NCAA Tournament appearance in 2011.

After debuting as the Black Knights' head coach in 2009, Golan's 2010 squad registered the program's highest win total since 1996 with its 14-4-3 record. It allowed just six goals on the season en route to a share of the Patriot League's regular-season championship. In her final season at West Point, Army went 12-4-5 and won the 2011 Patriot League Tournament title with a thrilling 2-0 win over arch-rival Navy to earn the second-ever NCAA Tournament appearance in program history.

Prior to joining the Army West Point staff, Golan served as an assistant coach at the University of Pittsburgh and the University of Evansville after launching her career as a graduate assistant at Mercer University. The St. Charles native is an active member of the NSCAA and a former Chair of the NSCAA Great Lakes Region for the organization's All-America Committee.

Golan earned a soccer scholarship to Duke University (Stefanie Kraay), where she played 56

games from 1997-2001 and helped lead the team to four NCAA Tournament appearances. The former Blue Devil earned a Bachelor of Arts in political science in 2001 before adding a master's in sports leadership from Northeastern University in 2012.

Golan has two sons, Travis and Max, and a pair of dogs, Sarge and Captain.

Andy Stoots was named to the Mizzou soccer staff as the associate head coach in May 2021.

Stoots came to Mizzou by way of the University of Louisville. He spent five years with the Cardinals' program, making two NCAA Tournament appearances. Working primarily with the goalkeepers and attacking players, Stoots helped Louisville's offensive production increase while improving its final RPI and win total in each of his last three seasons with the team.

The Cardinals reached the NCAA Tournament in 2018 and 2019. Each season, they topped their previous program-best finish in ACC regular-season play, finishing sixth in 2018 and fourth the following year. Louisville reached the NCAA Tournament Second Round in 2019.

Before his stint at Louisville, Stoots spent time on Golan's Minnesota staff. As an assistant coach for the Golden Gophers, he was a part of the 2016 team that captured the Big Ten's regular season and tournament titles. Minnesota led the Big Ten in goals and assists while allowing only three goals during conference play en route to the First Round of the NCAA Tournament.

Prior to his tenure in the Twin Cities, Stoots made stops at a handful of institutions in the southeast that neighbor Mizzou's SEC rivals--Samford, Belmont, East Tennessee State and Troy.

A four-year letterwinner in net at Milligan University, Stoots was named team captain in his final two seasons. While at Milligan, he set a school record with 15 wins in 2001 and holds career records in shutouts, goals-against average and wins.

A native of Bristol, Tenn., Stoots received his bachelor's degree from Milligan in human performance and exercise science in 2002. He holds a USSF National D License and NSCAA Premier Diploma.

Stoots and his wife Tiffany have three children, Ethan, Audrey and Sawyer.

Kelsey Wys was brought on staff as an assistant coach with Mizzou soccer Feb. 2022.

Wys joined the Tigers after serving as an assistant with Appalachian State for two seasons from 2020-21. She helped the Mountaineers to nine clean sheets during her two seasons with App State while functioning as the goalkeeper coach. Wys would also assist with game planning, specifically on the defensive side.

Before turning to coaching, Wys saw success with UMF Selfoss of the Icelandic Urvalsdeild kvenna. In Aug. 2019., she helped Selfoss to a 2-1 defeat of KR in the Icelandic Cup finals, securing the club's first major trophy.

The first goalkeeper off the board in the 2014 NWSL College Draft, Wys was selected by the Western New York Flash. She made nine starts in 10 appearances in her rookie season before joining the Washington Spirit for the next four years, 2015-18. During the 2016 season, she led the Spirit to the finals of the NWSL Tournament as the starting keeper.

Prior to her time as a professional, Wys was a standout goalkeeper at Florida State University and a four-year starter from 2010-13. She led the Seminoles to two ACC titles and a national runner-up finish in 2013. Individually, she earned All-American honors in 2012 and she was named to the Mac Hermann Trophy Watch List in 2013. She finished her FSU playing career, holding 17 total goalkeeper records in school history. She was the career record holder for minutes played by goalkeeper (8,518), wins (74), shutouts (45) and starts (96); all-time leader in wins (29), shutouts (20.0), saves (132) and consecutive shutout minutes (621:10) in ACC games only; all-time leader in wins (16), shutouts (9.0) and saves (63) in NCAA Tournament games.

A Coral Springs, Fla. native, Wys earned a bachelor's degree in family and child sciences from Florida State in 2013.

Taylor Culp joined the Mizzou soccer staff as an assistant coach in July 2023.

Culp came to Missouri from Elon, where he worked with the men's soccer team as a goalkeeper coach in 2019 before moving to the women's program in 2020 as an assistant coach. As an assistant, he was recruiting coordinator and led scouting/ opposition analysis for the team.

While at Elon, Culp helped the women's team to three consecutive winning seasons and saw six players earn all-conference recognition.

In 2020, Culp assisted in leading Elon to the program's first-ever Colonial Athletic Association (CAA) Championship and NCAA Tournament appearance.

He also helped guide the Maroon and Gold to a 9-6-2 record, including overtime victories over Northeastern and #23/25 Hofstra in 2021. With their performances, the Phoenix nabbed three all-conference selections.

Prior to his time in North Carolina, Culp served as an assistant with the Penn women's team in 2018, working primarily with the goalkeepers. While with the Quakers, he aided in the program becoming Ivy League Co-Champions as the team led the NCAA in goals-against average, clean sheet percentage, and save percentage. Starting keeper Kitty Qu secured First Team All-Ivy and United Soccer Coaches Second Team All-East Region. Additionally, she registered single-season program records in save percentage (.912) and goals-against average (0.35).

Culp has also spent time coaching North Carolina Fusion ECNL, starting in 2019. There he served as the director of goalkeeping and head coach for the boys (Level 2: U11, 12, 15, 16) and girls (U11 and 12) teams.

Prior to Culp's time in North Carolina, he spent the 2018 season as a volunteer assistant/goalkeeper coach with the men's team at the College of Mount Saint Vincent in Riverdale, N.Y.

A native of Piscataway, N.J., Culp played collegiately at UMass and Montclair State University, graduating from MSU in 2017 with a Bachelor of psychology. He helped the Red Hawks capture the 2016 NJAC Conference Championship and earn a berth in the NCAA Tournament.

• Mizzou owns a 4-7 mark in NCAA Tournament games.
• Eight of Missouri's 10 NCAA games have been played at the team's home field of Walton Stadium.
• Mizzou did not play an NCAA Tournament match away from Walton Stadium until 2014.

NCAA TOURNAMENT - FIRST ROUND

Nov. 10, 1999 • Columbia, Mo.

Marquette 3, Missouri 2 (4OT)

COLUMBIA, Mo. - The University of Missouri women's soccer team was defeated Wednesday, Nov. 10, in the first round of the 1999 NCAA Tournament by Marquette, 3-2 in four overtimes. The match, which was the longest in both programs' history, was decided in the 142nd minute when Marquette's Amy Hnatow scored her first career goal.

After 35 minutes of scoreless play, Marquette got on the board with a score from Kate Gordon, her ninth goal of the season. The score stayed 1-0 at halftime before Marquette added its second goal in the 54th minute. Erin Morgan netted her eighth of the season on a pass from Lannette Rossini and Marquette led the Tigers 2-0.

Just over two minutes later, Nikki Thole put MU on the scoreboard when she knocked home a goalie deflection with a soft header. Thole's 22nd goal of the season got Missouri back in the match and reenergized the Tigers.

After she was hauled down in the penalty box, Thole scored the equalizer on a penalty kick that beat Marquette's goalkeeper low right. From that point on, nearly a full match was played before the next goal was scored.

Three full overtimes, and most of the day's sunlight, came and went with the team's trading opportunities in the extra periods. At 141:13, Hnatow placed a shot over Missouri goalkeeper Jackie Adamec's head from the right side and Marquette had the victory.

2003
NCAA Tournament First Round
Nov. 14, 2003 • Columbia, Mo.

Missouri 1, Eastern Illinois 0

COLUMBIA, Mo. - Appearing in their first NCAA Tournament match in four years, the Tigers continued their hard fought postseason rally defeating Eastern Illinois, 1-0. The victory marked Mizzou's first NCAA Tournament win in program history.

After a lackluster first half, Mizzou didn't waste any time shining up the scoreboard during the second period. Just three minutes into play, Kristen Heil put Mizzou up 1-0 scoring her 10th goal of the season.

Preparing the scoring play deep in the midfield, forward Melissa Peabody sliced a pass to Adriene Davis in the midfield circle, who then played a perfect pass to Heil at the top of the penalty box. Heil then bested two EIU defenders and keeper Tiffany Groene to deliver the game-winner.

NCAA Tournament Second Round
Nov. 16, 2003 • Columbia, Mo.

Kansas 2, Missouri 0

COLUMBIA, Mo. - Riding through a roller coaster season, the Missouri soccer team ended the 2003 campaign with a loss in the second round of the NCAA Tournament to No. 16 Kansas, 2-0.

Backed by solid defensive play, Mizzou's offensive squad was able to concentrate its efforts on the KU net. Jennifer Nobis pulled out an exhilarating break away, but lost the ball to an aggressive play by Jayhawk keeper Meghan Miller.

Mizzou's defensive squad continued its valiant efforts, thwarting Kansas in the backfield. Unable to best the Tigers one-on-one, the Jayhawk offense finally found fruition in one of their nine cornerkicks. Lobbing a ball into the penalty box, the two teams batted the ball through the arcade of bodies until Smith caught a sharp foot on the ball and sailed it over the goal line.

Down 1-0 with just 13 minutes ticking on the clock, Missouri frantically tried to even out the score. Despite several extraordinary attempts by Davis, the Tigers struggled to come back. The frenzy opened up KU's second scoring play that dropped MU with a 2-0 deficit with just two minutes left to play. Kimberly Karfonta lofted a ball from midfield to Carmel Kaplinger who dribbled the ball to score.

COLUMBIA, Mo. - Following a 1-1 game after 110 minutes of play between Mizzou and Illinois in the first round of the NCAA Tournament, the contest went to a penalty kick shootout, where Illinois advanced. The Tigers outshot the Fighting Illini 28-19 in the contest but had numerous shots hit off the post.

The Tigers could not convert on their first three penalty kicks, while the Fighting Illini made their first three attempts to advance. Illinois went up 1-0 in the 19th minute but Missouri battled back and used a goal from junior Danielle Nottingham to knot the score at 1-1 in the 53rd minute. Redshirt-freshman Lauren Flynn played a ball across the field to Nottingham, who was stationed outside the left corner of the box. Nottingham ripped a 20-yarder that sailed past Illinois' goalie and into the upper left netting. The tally was Nottingham's first of the season and ninth of her career. Flynn earned her first career assist on the play.

Mizzou sent a flurry of six shots toward the goal in the final nine minutes of regulation but could not take the lead. With just seconds remaining in the second half Grant blasted a shot but it flew just wide left of the goal. Following a scoreless first overtime session, the Tigers again seemed likely to score in the second overtime. The home team managed to earn three corner kicks and got off three shots but again could not score to send the contest to a penalty kick shootout.

Grant, stationed near the post, chested the ball down into the net from a yard out for a 1-0 Tiger advantage.

Grant struck again early in the second half for a 2-0 Mizzou advantage in the 51st minute. Senior Kaysie Clark played up a perfect pass to Grant, who ran onto the ball at the top of the box. The Kansas keeper came off her line but Grant took a touch and sent a low shot past the goalkeeper and into the lower left netting for her team leading ninth goal of the season. LAWRENCE, Kan. – Kansas scored 40 seconds into the second overtime session to earn a 1-0 win over the Mizzou soccer team in the first round of the NCAA Tournament at Lawrence, Kan. The game was close throughout but the Jayhawks struck on a closerange shot to end the Tigers' season.

After 100 minutes of scoreless soccer, the Jayhawks used a five-yard strike from Lois Heuchan only 40 seconds into the double overtime to give the home team the win. The ball was crossed across the goal to Heuchan, who calmly beat Mizzou sophomore keeper Kelsey Dossey to the right netting.

The contest was evenly matched, with Kansas owning a 17-14 edge in shots and both teams committing eight fouls. The Tigers did have a 12-6 advantage in corner kicks, including a 10-3 lead in the second half and overtime.

HALL OF FAME
INTERCOLLEGIATE ATHLETICS
UNIVERSITY OF MISSOURI
EST. 1990

"To recognize and honor those individuals who have made exceptional contributions to the achievements and prestige of the University of Missouri in the field of athletics, and who have continued to demonstrate in their lives, the values imparted by intercollegiate athletics."

The University of Missouri Intercollegiate Athletics Hall of Fame was made possible by the 1989 bequest of $100,000 from the estate of the late A.C. (Ace) and Mary Stotler. It is located in the lobby of the main entrance to Mizzou Arena, after being housed in the Hearnes Center until the fall of 2004. The first class was enshrined in 1990, in conjunction with Mizzou's observance of its 100th football season.

Induction into the Hall of Fame is the highest honor bestowed upon a Mizzou student-athlete, coach or administrator. The general public is invited to submit nominations by filling out the online form at www.MUTigers.com. For more information, please contact Ryan Koslen, Senior Associate Director of Athletics / Chief Communications Officer, at koz@missouri.edu

NIKKI THOLE (CLASS OF 2006)

Thole was the first big star of the Missouri soccer program that began in 1996, and fittingly was the first soccer player inducted into MU's Intercollegiate Athletics Hall of Fame. A native of St. Louis, she came to Mizzou in 1997 and became the first Tiger to earn all-America recognition. She was a second-team honoree by multiple outlets as a junior in 1999 when she scored a school-record 23 goals and helped lead MU to a 14-8-1 record and its first NCAA Tournament berth. She was a three-time first-team all-Big 12 honoree (1998-2000) and was a second-team all-Big 12 selection as a freshman. Thole was named to the Big 12 all-tournament team three times (1998-2000) while leading the Tigers to three consecutive appearances in the championship game. She still holds virtually every MU single-season and career scoring record including career points (151) and goals (61).
